## BLACK SWAN

Turn on the glamour in a silver glitter and python-print chiffon dress or impress in an evening gown inspired by Natalie Portman's portrayal of Princess Odette in *The Black Swan*. These outfits by Bran et Daguet feature a combination of fabrics and simple yet clever designs, infused with its trademark dramatic flair. Couture and ready-to-wear pieces are available at the Bran et Daguet boutique in Penang. [www.branetdaguet.com](http://www.branetdaguet.com)
